Thompson Goes Back to the Farm

Ardent Campaigner Ernest Thompson overlooks no opportunities as he combs Texas for gubernatorial votes. He works the rural as well as the urban districts. The above snapshot was taken on a farm in Dallas county, while the candidate was taking a drink from an old-fashioned well-bucket as the friendly farm family looked on.

Here's What It's All About in Texas Right Now!

Three enthusiastic youngsters, Pat, Mike and Molly O'Daniel, of Fort Worth, are campaigning with their father, W. Lee O'Daniel, who is seeking the office of Governor of Texas. Their mother, Mrs. Merle O'Daniel, stays at home and handles headquarters. Pat and Mike are musicians with the Hill Billy Boys' orchestra which accompanies their father. Molly distributes handbills. In the picture are, front row: Pat O'Daniel, 19; Mrs. O'Daniel and W. Lee O'Daniel; back row, Mike, 18, and Molly, 16. This may be the official family in the Governor's mansion at Austin next year.

W. Lee O'Daniel Here on July 7th

Although no official announcement had been received from the headquarters in Fort Worth, it was believed certain that W. Lee O'Daniel, candidate for governor will be in Cameron for a Milam county address on Thursday, July 7th.

The Herald obtained this information from Rockdale Thursday morning. The American Legion at Rockdale sent a delegation to O'Daniel to invite him there for the 4th of July program. Mr. O'Daniel said he would have to speak in Beaumont on July 4th but would make an address at Cameron on July 7th.

Confirmation on this address will be forthcoming in a few days from the Fort Worth office, it was said here.

Newspaper reports said that O'Daniel was greeted by more than twenty thousand people in Austin Tuesday night. With him is the famous Hill Billy orchestra.

BIG SAVING ON LOANS THROUGH FARM BANK

Houston, Texas, June 20, 1938—The reduced interest rates on Federal land bank and Commissioner loans have been extended by Federal legislation for a period of two years, according to word received today from the Federal Land Bank by P. S. Graves, Secretary-Treasurer of the Cameron National Farm Loan Association.

On all Federal Land bank loans through national farm loan associations the temporarily reduced rate of 3 1-2 per cent per annum will be continued for all interest installments payable prior to July 1, 1940.

The temporarily reduced rate of 4 per cent on Land Bank Commissioner loans is also continued until July 1, 1940, P. S. Graves said.

"The temporary interest reduction does not change the contract interest rate, that is, the rate written in the mortgage at the time a loan was made," Mr. Graves said. "At present the contract rates on new land loans are 4 per cent for loans through unimpaired assocations.

Sheriff R. M. Kennedy on Wednesday released a statement from the state police headquarters in Austin relative to the reduction of traffic deaths in the month of May as follows:

Texas traffic deaths continued a downward march in the month of May when 127 fatal casualties were recorded by State Police. This followed an all-time low in April of 94 deaths and was a decrease of 41 compared with May, 1937.

"Records for May also revealed a decline of nearly 1,000 injured persons since April. Still, 1,045 persons suffered hurts in traffic collisions last month.

Poage Announces For Re-Election

To my Friends of the Eleventh Congressional District of Texas:

I take this opportunity, in announcing my candidacy for re-election as Congressman from our district, to express to my friends my heartfelt thanks for the confidence you have shown in me, and for the unselfish and loyal support that you have so freely given me. I recognize that I have not been a perfect representative, but I have worked hard and have done the best I could under the circumstances, and with the information then at hand. I have often failed to secure all of the objectives I desired. There are 434 other representatives and in order to pass legislation a majority of them must agree. On occasions, I am sure I have been mistaken in my stand. No man can have all the information he would want when dealing with the tremendous problems that are today confronting our Nation. Particularly is this true of one who is 1600 miles away from the people he represents, and especially so during his first term in Congress.

But I am proud to know that I represent the finest and most considerate constituency in the Union. No man could ask for greater loyalty and appreciation than my friends in Central Texas have displayed. I am proud to represent such a district in the people's House of the Congress of the United States. It is my daily prayer that I may be able through the position with which you have honored and trusted me to be of service to the men and women and boys and girls of Central Texas. I shall be home just as soon as the Session of Congress adjourns and shall look forward to meeting my people. In the mean time, I can only say from the bottom of my heart that I thank you, and that I shall strive to the very best of my ability to prove myself worthy of the confidence of the finest people in the world.

Gatefully and humbly, I am,

Your Representative,

W. R. POAGE.

May we add our voice to the chorus of well-wishers and at the same time a bit of sound, proven advice? Though we wish every graduate complete success in his future, we know that most of you will have to save to get the things you want from life, rather than being so fortunate as to have them given you. For this reason we urge every grad to open an account NOW . . . and add to it regularly—no matter how small the amounts.

All the officials of our different churches are to meet with those from the Cameron and Buckholts charges in a joint session at 1:30 p. m. in the First Methodist church, of Cameron. "Vivacious Lady" Sparkling Screen Story of City Life Here Sunday

With its delightful theme based on the conflict between old-fashioned theories and modren actualities(in wedlock "Vivacious Lady" comes to the Cameron Theatre next Sunday and Monday with Ginger Rogers and James Stewart co-starred.

Miss Rogers depicts a Broadway night club entertainer, whom Stewart, a botany professor from a little up-stage college, woes and wins in a hectic courtship. When he brings his bride home to the dignified college town and contemplates breaking the news to his stern college-president father, he loses courage and remains silent.

Out of this silence grow the many hilarious situations that follow. Stewarts mother, a hypochondriac, has "heart trouble" whenever an argument starts between her busband and her tall young son; a local girl, who thinks she is engaged to Stewart begins laying embarrassing plans for their coming marriage, and Stewart's playboy cousin, the only one who knows their secret, manages to tangle things up in trying to straighten out the affair!

On top of this, Miss Rogers grows impatient with being a wife in name only, and with Stewart's procrastination. These various threads are woven into a hectic plot which marches on to a clever climax and solves the problem in entertaining fashion.

As the little Broadway singer who finds matrimony not all it's supposed to be, Miss Rogers has one of the finest roles of her career, and her performance is brilliantly counterpointed by Stewart's portrayal of the hesitant husband. James Ellison as the worldly-wise cousin, Charles Coburn as the Puritanncal father and Beulah Bondi as the timorous mother head the supporting cast in noteworthy characterizations.

The settings have been built to match the importance of this timely offering. A large New York night-club forms the background of the opening and final sequences, while brick buildings of the college town and its campus compose the contrasting locales for the major part of the film, even to a completely equipped botany laboratory.

With its uniquely contrived plot and its realistic treatment of the genuinely human characters it depicts, "Vivacious Lady" marks a real departure in romantic screen comedy, with an underlying serious note beneath its gaity. The film's one song number, "You'll Be Reminded of Me," was written by George Jessel, Pack Meskill and Ted Shapiro, and is sung in one of the night-club scenes by Miss Rogers.

Pandro S. Berman, who supervised most of Miss Rogers' former vehicles, produced the new offering, which was directed by George Stevens. I. A. R. Wylie wrote the magazine story from which the RKO Radio picture is adapted. The cast, in addition to those named, includes Frances Mercer, Phyllis Kennedy, Grady Sutton, Frank M. Thomas, Maude Eburne, Spencer Charters and Ray Mayer.

Austin, June 18.—A proposal to outlaw fraudulent manufacture of Indian relics such as flint fish hooks —may reach the Texas legislature at its next session

A statute has been suggested by an unusual man—Erich F. Pohl of Austin. It would prohibit counterfeiting arrowheads, birds points, spearheads, drills, discoidals, stone implements or any manner of artifacts of aborigines who roamed the hills and plains of Texas centuries ago.

Pohl possibly is the only commercial archaeologist in the world. He knows of no other persons engaged solely in unearthing and selling the handicraft and skeletal remains of prehistoric inhabitants of the North American continent. His field is the burned rock Indian mounds of central Texas.

"The proposed law," Pohl says, "has been adopted in a number of states and would halt a vicious practice which is undermining the work of archaeologists and anthropologists in Texas. Fake Indian relics are flooding the market and the fakers are enjoying a fabulous income."

"On February 12th I bought 50 Rhode Island Red chicks and 25 White Leghorns from the Swift Hatchery, Taylor, Texas at 7 cents per chick," said LaRita Heath, poultry demonstrator for the Milano 4H club, as she told the story of her poultry.

"My brooder house was made according to the standard dimensions given the 4H club and heated by an electric bulb. I paid $1.10 to get my brooder ready for my chicks."

"I fed my chicks the prepared baby chick mash for 30 days then I gave them the growing mash. So far, I have fed them $9 worth of feed. I keep plenty of fresh water for them at all times," she continued.

Out of the 75 chicks, LaRita lost only seven. On April 16th she had her roosters ready for market. She sold 41 chickens at an average of 40c each making a total of $16.40. Her total expense was $15.25. That left her a profit of $1.15 with 25 pullets and 2 roosters on the yard.

Special Colum Arranged for Entertainments

The Herald has set aside space to be used for announcing public entertainments. This column will be run similar to a classified column. All enterainments where money is raised can be advertised in this column at 50c.

Due to the number of entertainments it will be necessary to classify them. The burden of carrying announcements free is too great for the limited space we have. Hereafter those who announce suppers and entertainments at which admission is charged or anything sold to raise money, should enclose 50c for the 'entertainment column."

STATE DEPARTMENT COMMENDS SCHOOL

Superintendent E. A. Perrin has just received a report from the State Department of Education granting the Cameron Public Schools one unit of credit in General Homemaking, boys and girls, and one credit in Spanish III.

The following recommendations and Commendations were made in the letter from the State Department:

Recommendations

That a comparative amount of time and money be spent on the vocal and instrumental music department in the elementary and high school grades.

That the school continue in its program of work. This is a good school and everyone is working hard at the Job.

That the library be "dressed up" in order that it may be more attractive to students.

Commendations

For the beautiful new gymnasium and home economics department.

For the work done on the school campus. It is beautiful.

For the wide and selective curriculum for the students in high school.

For the splendid band and other instrumental music work that is being developed.

For the outstanding vocational agriculture department.

The deputy wishes to express his appreciation for the many courtesies extended him while visiting this school.

Traffic

(Continued from page 1)

grams have proved the value of this practice to pedestrians.

"The hour at dusk—seven to eight p. m.—continued as "Death Hour," according the state recorders who said nine met death in May during that period.

"State Police officials believe the lower death rate is due to aroused public opinion, more enforcement by local officers and increased highway vigilance by State Police. An additional 100 Highway Patrolmen were added to the force in June and are expected to provide for increased safety.

Another warning was issued by the safety officials to vacation drivers and tourists not familiar with Texas highways and traffic regulations. The officials urged motorists to stay within speed limits, eat lightly and get plenty of sleep before making long drives.

Statue

(Continued from page 1)

Lake Culpepper will speak on the History of Milam county. Judge Jeff T. Kemp will reply to a presentation by Roy Law and accept the statue from the Committee.

Miss Mary Frances White, Fifth Grand Niece, of Ben Milam, will unveil the statue. Cameron relatives of the patriot are J. B. White, and two sons, Thomas Jefferson and Joe Bill White.

Emory B. Camp is chairman of the program committee. Mrs. Marvin Sessions of Rockdale and Mrs. Jeff Kemp are on the committee for platform courtesies.

Guy T. Newton heads a committee to make arrangements for the platform. The Commissioners court will erect the platform.

Complete details will be published next week.

Celebration

(Continued from page 1)

the forenoon by Leo Majek's Band.

Shortly after 2 p. m. Emory B. Camp, master of ceremonies, inaugurated the speaking program which opened with a short address by John Dollins of Waco, candidate for State Senator. Among other things he advocated remission of state advalorem taxes in all Texas counties. This money in ten years would amount to almost a million dollars in Milam county. If matched by federal grants many public improvements could be made as well as a soil and farm program. It would also provide a long time program of re-employment for labor.

Coulter Hoppess of Bryan spoke for Walter Woodul, candidate for attorney general. Mr. Woodul could not be present for the speech.

Henry G. Lehman, candidate for Flotorial Representative, spoke for his candidacy for re-election.

Shortly after 4 p. m. Mr. Thompson arrived from Schwertner in Williamson county where he spoke at 2 in the afternoon. A committee composed of Joe Slavik, Sr., Louis Faichtinger and J. D. Baskin, went to Schwertner and brought the speaker by auto direct to the grounds.

The speech of Mr. Thompson was broadcast over KTEM, Temple. This was the first radio broadcast in the history of Cameron to originate within the city. In characteristic style Mr. Thompson, positive and red headed, standing without coat spoke for one hour and was cheered wildly as he closed his remarks to outline a program for Texas improvement. He reviewed his fight with the utilities in Amarillo; how he had saved the poeple millions in rate reductions; how as railroad commissioner oil and gas resources had been saved through stable markets and control. Mr. Thompson has a program for Texas farms. He also has an industrial program for Texas and Texas people and says he will spend his time between election and inauguration day making an inventory of needs and will see to it that Texas raw materials are processed through Texas factories to employ Texas labor. The century old practice of sending raw materials away to be mtacfan u.po Lieutenantd G be manufactured will end under his administration, he declared.

After the address he shook hands with many. Among them ten of the Glaser brothers.

John Bubala, Dallas attorney and Czech, spoke briefly for Mr. Thompson. Through the crowds Mr. Thompson's platform, printed in Czech was distributed.

The celebration was followed at night by a dance. The Hall Associatino through Mr. Camp thanked The Cameron Herald for its contribution to the publicity program. The association realized good financial returns from the program.

Dr. and Mrs. David Smith had as week end guests in their home Miss Ima Ruth Rankin, Mr. and Mrs. L. R. Pearce, Mr. and Mrs. George Small of Palestine, Mr. and Mrs. J. W. Mercer, Mr. Sussel Daley of Houston, Mr. and Mrs. Harold Waite of Liberty, Mr. and Mrs. M. C. Graham of Huntsville.

Interest

(Continued from page 1)

The contract rate on all Commissioner loans made through the land bank is 5 per cent. Under the law, as now amended, both land bank and Commissioner borrowers will resume interest payments at their respective contract rates on July 1, 1940.

"Farmers who now obtain new loans through an assocation at the 4 per cent contract rate," Mr. Graves continued, "will get the benefit of the 3 1-2 per cent rate for all installments payable prior to July 1, 1940, and after that will not have to pay more than the 4 per cent contract rate for the balance of the term of the loan, which may be for as long as 20 to 30 odd years."

According to Mr. Graves, the Cameron National Farm Loan Association has 181 Federal Land Bank loans totaling $675,532.12 drawing interest at from 4 to 6 per cent which amounts to $22,530.53 and at the reduced rate mentioned above, will be $23,643.63, or a saving of $9,886.90. 120 Land Bank Commissioner loans totaling $215,983.49 drawing interest at 5 per cent which amounts to $10,777.69 which under the above reduction interest rate at 4 per cent will be $8,622.14, a saving of $2,155.55. Or a grand total saving to the borrowers of this association, by these reductions, of $12,042.44.

Picnic

(Continued from page 1)

Columbus band gave the music for the day. In the afternoon contests were provided for the children with small cash prizes.

The Knights each year hold their picnic. Due to failure of principal speakers to attend a part of the program was not realized. Mr. Andres was happy to extend to Knights and guests a warm welcome from the lodge.

A special Broadcast was provided through the public address system of F. G. Blake of the Coca Cola Co.

The Cameron, Minerva and Buckholts charges of the Methodist church will hold a joint quarterly conference at the Cameron Methodist Church next Sunday, July 3. Rev. N. H. Melbert Presiding Elder will preach at the 11 o'clock hour and hold the Quarterly Conference at 2 p. m. Everyone is invited to come and bring your dinner and spend the day. Dinner will be spread in the basement of the church. Water, ice tea and coffee will be served by the Cameron church. This will be a big Rally for these three charges.

Cameron, Texas

To the Public--

During the past few days I have been hearing rumors that the Grant Lumber Company intends to abandon their lumber yard in Cameron.

This statement is absolutely untrue and those who are making this statement know when they make it that it is untrue.

I rather hesistated in making this statement because I know that men who tell these tales are known, and like all other stories they tell, will not be believed. However for those who might be influenced by these statements, I at this time want our good people in Milam county and surrounding communities to know that we are here to stay.

When Mr. John F. Grant was in Cameron in May he spoke of several old acquaintances in this territory. He regreted very much that he did not have time to look up more of his friends and have a talk with them.

This yard has been here a good many years and has enjoyed the splendid co-operation of this community for which we wish to express our whole hearted appreciation.

I, the manager, have been here three months. I have met so many good folks. These have proven to be true, whole hearted friends. These people have gone out of their way to co-operate and help build up the nice business we are now enjoying.

Because this is such a friendly town, I intend to build a home of my own here soon.

Again thanking the community for their friendly co-operation with the manager and the Grant Lumber Company, I am,

most respectfully,
DON WEIR, Manager.
